STRATEGIC CONTROLS: AUTUMN REVIEW 1959

Memorandum by the United Kingdom Delegation

Proposals for changes in the current International Embargo List are due to be tabled in the Co-ordinating Committee by October 1, 1959. A statement showing the  
--- United Kingdom List I proposals is attached.

2. The United Kingdom Delegation draw the attention of the Committee to the fact that Item 1305 - Rolling Mills - has been included in the attached statement. This item is already under discussion in the Committee, and the United Kingdom Delegation hope that it will have been disposed of before the main Review.

United Kingdom Delegation,  
Paris.

September 30, 1959.
